SEPTEMBER GENERAL MEMBERSHIP MEETING

TANTALLON CITIZENS ASSOCIATION GENERAL MEMBERSHIP MEETING

Saturday, September 12, 2026
1:00–2:30 p.m.

Prince George's County Police Department
District VII (Fort Washington) Station
11108 Fort Washington Road
Fort Washington, MD 20744

TCA General Membership Meeting — Join Us

We're excited that this meeting will include an opportunity to connect with some of our nearby neighbors, including residents from Piscataway Hills and Tantallon North.

David Owens, president of Fort Washington Forward, will discuss a proposal to explore whether Fort Washington should incorporate as a municipality. He will address potential benefits, drawbacks, unanswered questions, and possible next steps for broader community discussion.

Jason Washington, Associate Superintendent of Supporting Services, will discuss logistical planning for the modular classrooms at Potomac Landing Community Center on Fort Washington Road.

Curious to learn more? **Come join the conversation, meet neighbors from nearby communities, and stay informed about issues that will impact our area.**

We hope to see you there!

A Message from the TCA President/Vice President

Dear Tantallon Community,

We hope you had a wonderful summer! As we begin a new season, we extend a special welcome to our new neighbors and invite everyone to become involved in our community.

You spoke, and we listened! To make our TCA General Membership Meetings more convenient and reduce costs, we are trying a new time and location!

**Join us for our next TCA General Membership Meeting:
Saturday, September 12, 2026 | 1:00–2:30 p.m.
Prince George's County Police Department
District VII (Fort Washington) Station
11108 Fort Washington Road, Fort Washington, MD 20744**

The location is close to home, with free parking and light refreshments. Whether you are new to Tantallon, a longtime resident, or attending for the first time, please join us to meet neighbors, hear community updates, and learn how to get involved. TCA represents more than 900 households, yet only about one-third contribute annual dues. Voluntary dues remain \$75 per household and support community communications, beautification, covenant efforts, meetings, and neighborhood projects.

Membership at a Glance (Past 6 Years):

2021: 281 | 2022: 202 | 2023: 262 | 2024: 231 | 2025: 243 | 2026: 170

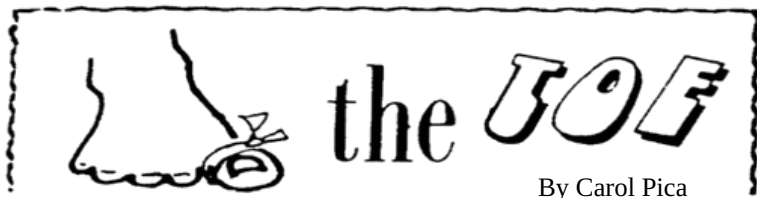

Please remember that TCA's fiscal and membership year runs from September 1 through August 31, and dues renew each September 1. If you contributed during the previous membership year, it is now time to renew. Learn more about membership options and join today! Join at tantalloncitizensassociation.com/membership.

Thank you for investing in Tantallon. Whether you pay dues, attend a meeting, volunteer, or share an idea, your participation helps keep our community strong. We hope to see you September 12!

Warmly,

Tracey Simon

BACK TO SCHOOL x2

There are now two Prince George's County Public Schools located on Fort Washington Road. Colin Powell Academy has a new principal, Kanika Dorsey, and four assistant principals each covering a particular segment of grade levels: Joy Bradley K-5, Michelle Jefferson-Lambert 6th grade, Gina Byrd 7th grade and Aaron Pankey, 8th grade. The total student population is 1,720 students. The doors open at 8:00 a.m. with school starting at 8:30. Dismissal is 3:10 p.m.

John Hanson Montessori School is located in the former Potomac Landing Elementary School building. The principal is Courtney King and the assistant principal is Vanessa Gibson. The doors open at 9:00 a.m. and school begins at 9:30. Dismissal is 4:15 p.m. The total enrollment is 507. Since John Hanson Montessori was formerly located on Oxon Hill Road, one would expect many buses transporting the students.

Therefore, you should consider the amount of traffic on Fort Washington Road when you are making appointments. We wish all of the students a successful and exciting 2026 – 2027 school year!

The Tantallon Citizens Association Landscape of the Month

award was presented to Ms. Williams for her beautiful yard on Arrow Park Drive. The yard uses a variety of plant material, is well designed and maintained, and creates an inviting atmosphere, hospitable space, and a friendly climate for those walking or driving on Arrow Park.

If you are interested in joining the Tanta-Cove Garden Club, contact club president Mary Downs at marybostondowns@gmail.com.

Bernard and Alice Robinson celebrated their 57th Wedding Anniversary on August 9th.

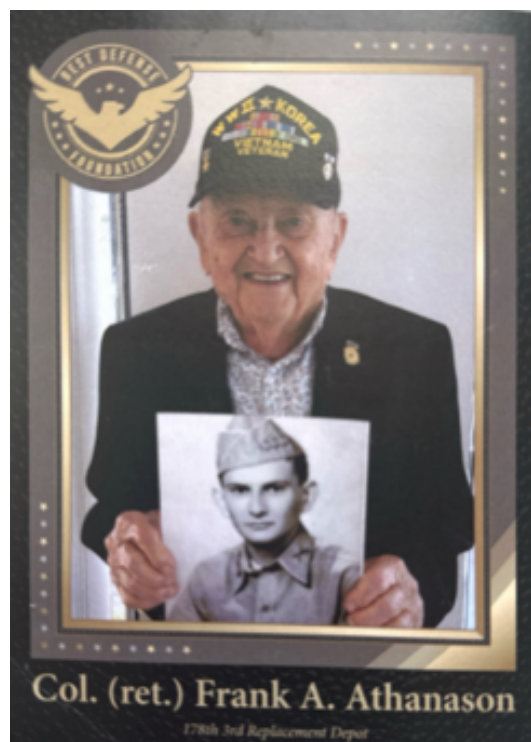

Happy BIRTHDAY

**Blanche Williams of Prestwick
Drive celebrated her 100th
birthday with family**

and friends at the National Golf Club on July 18. It was a festive and memorable occasion, filled with a delicious dinner, live music, dancing, and wonderful memories shared by all who came together to honor this remarkable milestone.

Centenarian Birthday Celebration

Please join the TCA in wishing our neighbor, **Colonel Frank Athanason**, a very happy 100th birthday! He attended Officer Candidate School, graduating at just 19 years old. He was commissioned as a second lieutenant in the Field Artillery. Colonel Athanason's distinguished military career spanned 32 years of active service. His military decorations include the Silver Star for gallantry in battle as well as the Bronze Star and Purple Heart. He and his beloved late wife, Vickie, raised three children. Frank has lived in Tantallon since 1978, for a total of 48 years! The TCA proudly honors Colonel Athanason's remarkable life, distinguished service, and extraordinary milestone. Thank you for your service!

John and JoAnn Dullahan traveled to beat the heat, for 15 days to beat the heat of July and August. After visiting dear friends in London and delving into nautical and navigational history in Greenwich, they explored medieval Edinburgh and the Orkney and Shetland Islands, where Viking traditions are still very much alive.

John was thrilled to witness highly skilled sheepdogs at work in the rugged hills while JoAnn reveled in visiting the Ring of Brodgar, a UNESCO World Heritage site having a stone ring nearly 5,000 years old.

On June 26th, 2026, **Jacquie Gales Webb, a Tantallon resident since 1993, was honored** by national and local Gospel artists, government officials, and religious and community leaders for her 35 years of programming Gospel music on 96.3 WHUR in Washington, DC. At a ceremony at the First Baptist Church of Highland Park, she received a proclamation from Prince George's County Executive Aisha Braveboy, a letter of appreciation from DC Mayor Muriel Bowser, and a crystal award from WHUR recognizing her 35 years of service.

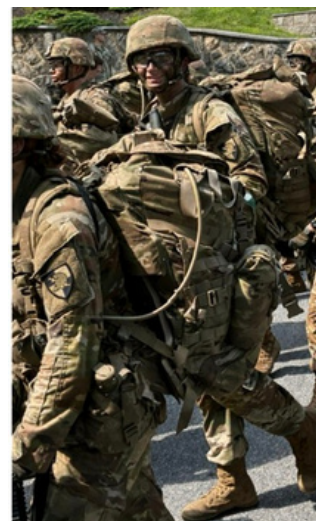

Tantallon Granddaughter Joins West Point Class of 2030

Through outstanding grades, volunteer service as an EMT, and recommendations from three elected officials—including U.S. Senator Angela Alsobrooks—Ron and Georgette Weiss's granddaughter, Rachel Bigler, earned an appointment to the United States Military Academy at West Point as a member of the Class of 2030.

Outstanding

Rachel recently completed the traditional March Back, a challenging 12-mile trek from the cadet training area to West Point while carrying approximately 75 pounds of equipment. Wearing battle paint, Rachel and her classmates returned to a warm welcome from the West Point community and the West Point Band. Their class motto is "Strong and Sturdy." Rachel joined her cadet company and began classes on Monday, August 17. Ron and Georgette couldn't be prouder!

Major Jordan, the son of Brittany Jordan, competed with his team at the 2026 AAU Junior Olympics in Des Moines, IA for Flag Football.

The team earned the silver medal.

Samantha, the little Yorkie who patrolled the Ramsey home on Surrey Circle Drive, has passed.

Many believe that Samantha was merely shouting for joy as she was a very lucky dog. Years ago, Joe and Amanda Ramsey spotted a puppy on Fort Washington Road shivering on a frigid day. Joe put signs on telephone poles but no owners were found. They named her Samantha and she became a treasured companion.

She died peacefully at her home.

We believe each life deserves to be celebrated.

KALAS FUNERAL HOME & CREMATORY
Celebrating Life's Journey

National Golf Club

at Tantallon surprised its members by announcing a new full-time superintendent who will develop a plan to tackle the issues.

Golfers are eager to enjoy fall weather on the course.

This Summer in Tantallon - Records were broken over our changeable summer. For many weeks, we enjoyed pleasant temperatures in the eighties. Walkers were logging steps, runners were recording their miles, cyclists were cruising throughout our neighborhood, baby strollers and doggie strollers were enjoying their outings. Then the 100+ temperatures settled in for several days. Everything stopped. The members of Fort Washington Pool stood in the water; it was wet but not cool. Gardeners tried to keep their flowers alive by offering them a drink once the sun started to set. Luckily, the heat became more manageable and activities returned. Are we dreaming of a long, comfortable fall?

Tantallon resident **Steven Askew** was recently elected to the **Prince George's County Democratic Central Committee**.

Jeff Kinney, the author of the hit series *Diary of a Wimpy Kid* and childhood resident of Tantallon

on Glasgow Way) and who attended St. Mary's Piscataway School, spoke with News4's Jummy Olabanji on June 9. Kinney recalled that his college record at the University of Maryland did not predict his later success and advised students to "be nimble." See Jummy's video report at <https://youtu.be/QCNpqqPqNTU> and Jeff's article in the Terp at <https://terp.umd.edu/diary-of-a-wimpy-terp>.

**A Special
Thank You to
Some Wonderful
Neighbors!**

*Thank
you so
Much*

The Tantallon Citizens Association extends a heartfelt thank you to our neighbors, Glen and Elsie Clark, for their continued support and for graciously opening their property to host the TCA Hospitality Committee's biannual potlucks.

This springtime gathering gave neighbors the perfect opportunity to connect, laugh, play games, and enjoy an incredible spread of barbecue, homemade dishes, and delicious desserts. We were also treated to fresh, hot fried fish, courtesy of neighbors Eric and Pam Longshore—and it was a crowd favorite!

To everyone who joined us, thank you for bringing the food, fun, and wonderful community spirit. If you missed the festivities, you truly missed a great time—but don't worry, there will be another chance to join the fun at our next fall potluck!

In Remembrance

Craig Stevenson

We extend our deepest sympathy to the families and friends of the deceased.

It is with great sadness that we share the passing of Craig Stevenson, a former longtime resident of Tantallon on the Potomac and a familiar presence on the golf course to many in our community. Craig passed away on August 7, 2026. He will be remembered fondly by those who knew him well and by the many neighbors and friends whose lives he touched during his years in our community. Please keep his daughter, Gabrielle Nicole, and the entire Stevenson family in your thoughts and prayers during this difficult time.

Committees Share

Block Ambassador Committee

We bring our neighborhood together promoting community by simply just communicating. We would like to maintain a current contact list of our neighbors for many reasons, with safety at the top of the list. We are also looking to be the first contact for any thoughts that concern you. We are proud to live here and encourage you to invest in our neighborhood, which is investing in our homes and their values.

Committees Share

Welcoming Committee

Our goal is to be one of the first people who connect with new neighbors and to provide a warm and friendly welcome to the community, along with providing them with a Welcome Packet and modest gift bundle. The Welcome Packet contains and showcases valuable information and resources about our Community and guides you to our Tantallon Citizen Association Covenants. The Covenants are a binding document that every homeowner is required to follow.

Membership Committee

We are dedicated to inclusion, transparency and accountability. We look forward to engaging with residents to sustain our beauty and wealth of Tantallon On The Potomac. Our activities include recruiting new/returning Tantallon community members, planning Membership Drives, Greeting Members at our TCA General Membership Meetings and assisting with community Activities and Gatherings.

Hospitality Committee

We are the joining thread that holds the community together. We plan and host gatherings for all to enjoy.

Security Committee

Our goal is to keep everyone informed of community news, including crime updates from our local police. Police need and want our tips! We need to report suspicious activity (non-emergency) to 311 or 301-352-1200 (after hours). Report crime as it is occurring to 911.

Tantallon Control Committee:

Each lot in the community served by the Tantallon Citizens Association, Inc. (Tantallon on the Potomac and Tantallon Hills) is subject to an extensive set of covenants. **These covenants “run with the land” and are binding not only on the original purchaser, but on all subsequent purchasers and residents as well.** The Tantallon Control Committee (TCC) was formed to administer the Tantallon Land Covenants, subject to the review of the Tantallon Citizens Association (TCA). The TCC is to administer the covenants prudently and as uniformly as possible in order to preserve and enhance the beauty and character of Tantallon as a community and to preserve and enhance overall and individual property values. For more information, please visit our website page: <https://www.tantalloncitizensassociation.com/the-covenants>.

Family Engagement Committee

We look forward to engaging our amazing families in activities that bring us closer together. With focus on the the youth, parents, singles, seniors and our animal babies, we aim to create enriching experiences with our friends and neighbors.

Through these activities, we create lifelong bonds that continue to promote the long standing legacy of Tantallon.

Distribution Committee

We distribute the Newsletter quarterly. Each team member has 25 to 35 homes. It usually takes about 30 to 45 minutes and entails placing a Newsletter near the front door of each residence on your assigned route.

Newsletter Editor

We look forward to including your stories, celebrations, and memories. Email them to Jamie Crist at TheTCAEditor@gmail.com.

Cat Committee Update: Helping Our Community Cats

Your TCA Cat Committee is gearing up for another year of TNVR work, and we're grateful for the community support that has helped make this effort successful.

TNVR, which stands for Trap-Neuter-Vaccinate-Return is a humane approach that helps manage outdoor cat populations in a safe and responsible way. Community cats are gently trapped, taken to a veterinarian to be spayed or neutered, vaccinated, and ear-tipped, and then returned to the area they call home.

TNVR helps prevent new litters of kittens, reduces behaviors like yowling, spraying, and fighting, and improves the overall health of outdoor cats. If you notice a cat with the tip of one ear missing, that's actually a good sign — it means the cat has already been neutered and vaccinated through a TNVR program. Over the past two years, 31 cats in Tantallon have been trapped, vaccinated, and neutered, thanks to the efforts of volunteers and caring neighbors. That's real progress for our community!

The Cat Committee is hoping to continue this momentum in the coming year, and we'd love your help. Please take a moment to complete and return the survey (See Link Below) so we can better understand where TNVR support may be needed.
